A MESSAGE FROM MAYOR DEGRAW

Along with the Parks and Recreation staff, I am proud to present the Spring/Summer 2015 Parks and Recreation Program. Each year the department tries to expand the City's program offerings. I encourage you to take advantage of some of the great programs and events that are being offered this year.

As the weather starts to warm there will be a number of projects popping out of the ground. City Council has given its approval to move forward with \$10 million dollars of road and infrastructure improvements in our residential neighborhoods. The work will take place over the next two years. It will include water line improvements, curb repair and paving. By far, this is the largest street improvement program the City has ever undertaken. Most of our major intersections with traffic lights will receive new lights and accessibility ramps as part of the grant the city received from Congestion Mitigation and Air Quality Improvement Program. Grandview Heights' application to Ohio Public Works Commission ranked the highest and we received grant and zero interest loan money to move forward with improvement work along Northwest Boulevard and to make improvements on First Avenue around Stevenson School to increase pedestrian safety.

This year over \$10.5 million dollars of city road and infrastructure work is underway at the Grandview Yard. The road system in the Grandview Yard should be completed this year. Site work for the first Nationwide Building and parking garage is underway. The City is also reviewing a single family and townhouse residential project. Plans for another office building, a second hotel and an attached conference center are in the works.

For me, the rededication of Wyman Woods and the dedication of the W. W. Williams Shelter House was my favorite event last fall. The dedication was sixty years to the month from when the park was originally dedicated in 1954. The new shelter house offers great flexibility of use and allows for a large variety of venues. The new grass sports field will be open later this year and is a great addition to our parks system. Based on the number of people I see using the park, even in lousy weather, the improvement is a great success.

I was also greatly pleased with the reconstruction of Goodale Boulevard west of Grandview Avenue. That project really turned out beautifully and is a tribute to the detailed planning and design work that went into the project.

I am looking forward to the City's annual Memorial Day Service. At this year's service we will be unveiling a seven foot bronze statue of a World War II soldier and a brick memorial walk. The soldier memorial was made possible by a generous donation from Dr. Thomas Williams and Dr. Lowell Williams of Grandview Heights. The service will take place at 7:30 p.m. Thursday, May 21 at our Memorial Park on Northwest Boulevard. In case of rain, the memorial service will be moved to the Grandview Heights High School Auditorium and the statue dedication will be held the next day on Friday May 22 at 7:00 p.m.

I thank the community for its ongoing support of our city services. This will be another exciting year. I encourage you to look for ways to participate, stay active and be part of the fun. I will continue to update you in my monthly newsletter which is on our website and encourage you to sign up for city news at <http://grandviewheights.org/notifyme>.

Sincerely,

A handwritten signature in black ink that reads "Ray DeGraw". The signature is fluid and cursive, with the first name "Ray" being particularly prominent.

Talk Derby To Me

No Horsing Around— The Best Derby Party in Town!

The Grandview Area Chamber will host its 2nd annual Derby-Themed party on May 2 from 2 p.m. until 6:30 p.m. Food, beverages, and entertainment, all in Kentucky Derby fashion. Add the contest for the most festive hat in the ladies division and best pastels/bowtie in the gents division and you've got one great party! Funds from TDTM support the Chamber's Scholarship Funds. Ticket and location information will be posted on the Chamber's site at grandviewchamber.org/events

Grandview's Great Garage Sale

Clean out the attic and turn your unwanted "junk" into cold hard cash! To participate, mail or drop off your information and \$5.00 fee to Kim Maupin at 1355 Mulford Road by April 29 so your address can be added to the blanket permit. Let Kim know your name, address, phone number, and a brief description of up to five sale items on a letter-sized piece of paper. The sale will be advertised to the greater Columbus area so business will be brisk. Flyers listing sale addresses will be available at Grandview Municipal Building, Parks & Rec. Office, Grandview Library, and at

www.grandviewheights.org beginning May 1. **Grandview's Great Garage Sale** will in-part benefit the Pool Fund. Call Kim with questions at 486-4150. The city has scheduled the **Spring Clean-Up** for May 12-15 so all unsold or discarded items from your sale can be placed curbside for pick-up.

Location: Grandview Heights
(citywide)

Date: Saturday, May 9

Time: 9:00 a.m.-3:00 p.m.

Fee: \$5.00 payable to Kim Maupin

Grandview Avenue Farmers' Market

The Grandview Avenue Farmers' Market will open the 2015 season on July 4. The market operates every Saturday, 10:00 a.m. to 1:00 p.m. through October in the parking lot at Vino Vino, Grandview Avenue at Third. The market is hosted by the Wagenbrenner Company and operated by the Pearl Alley Growers' Association.

The market offers farm fresh seasonal produce from apples to zucchini from farm producers. Market offerings include herbs, honey, jams and jellies, fresh cut flowers, fresh baked goods, and more. Area restaurants have the opportunity to showcase their creations to our customers on Saturdays at the market. Local businesses may take advantage of guest vendor times to sell their products at the market. The market

is pleased to host a number of area non-profit organizations each market season.

Special market days are both fun and educational. Market Sample Day on August 15 gives customers the opportunity to sample product from each vendor. The growers' association provides a free apple for each of our market patrons on Apple Day, September 19.

Questions about the market may be addressed to Marcy Musson, Market Manager at 419-674-4719.

The Summer Session

The Grandview Craft Beer Alliance's Summer Session is a celebration of low alcohol lounging outdoors with session beers that clock in at 5% and below. More than a dozen local breweries will be available for tasting with great food to match. Meet the brewers, mingle with other craft beer enthusiasts and enjoy a lazy Saturday afternoon of great beer outdoors. Join us for an afternoon of drinking, food trucks, music, outdoor entertainment and more. For more information, please visit: <http://grandviewcraftbeer.com/summersession>

Grandview Heights Library Offers Free WiFi in Parks

The Grandview Heights Public Library, directed by Ryan McDonnell, and funded with a grant from the Grandview Public Library Foundation's Endowment Fund, has teamed up with the Parks and Recreation Department and the City of Grandview Heights to install free public WiFi at several Grandview park locations.

In addition to providing a valuable resource to park visitors, the free WiFi program supports multiple initiatives, including: providing greater access to the library's growing collection of digital content; promoting events sponsored by the Grandview Heights Library, Parks and Recreation Department and the City of Grandview Heights; providing outside working

space for individuals and businesses; supporting the Grandview Heights City School District's 1:1 Computing, a program providing students in grades 9-12 with a mobile computing device; and providing an emergency communication network for first responders in the event of a local disaster.

"The Foundation is thrilled to support a project that further extends the reach of the Grandview Library," said Foundation Board President Krista Sturbois. "It seemed like the next logical step in connecting the community, and we support it wholeheartedly."

"We could not have asked for more enthusiasm and support for this

project from the City of Grandview Heights," Grandview Heights Public Library Director Ryan McDonnell said. "It is a terrific example of the community coming together."

Free WiFi is currently available at Pierce Field Park and the Municipal Pool during regular park hours of 8:00am-10:00pm. Efforts are underway to bring WiFi online at McKinley Field and Wyman Woods parks in the next few weeks. WiFi will become available at C. Ray Buck Park later in 2015. The Parks and Recreation Department salutes the Grandview Heights Public Library and thanks them and the Library's Foundation for this tremendous extension of their services into our community!

Community Information

The City of Grandview Heights Website

Advertise Your Business!

We invite you to visit the City's website at www.grandviewheights.org. You will find interesting and helpful information for each of the city's departments including contact information, hours of operation, key areas of responsibility as well as program descriptions, forms, permits and other documents. From the Parks and Recreation page, you can view a complete copy of this semi-annual program guide.

That's only the beginning of what is offered: there is a community calendar highlighting upcoming special events and meetings, and links to multiple community partners like the Grandview City Schools, Public Library, Chamber of Commerce, Historical Society and the Education

Foundation. Visitors to the City's website can also view City Council agendas and meeting minutes, apply for a city job, or browse any of the city's codified ordinances.

There's still more...select the Facebook or Twitter icons from the home page to be automatically notified of city news and happenings. Report a concern, or go to "e-News Sign-Up" to be notified via your mobile phone, tablet or other device of upcoming events and meetings. There's even an "Alert Center" which will provide you with emergency information specific to our community should the need arise. We encourage all residents to sign-up for this service. Be sure to visit www.grandviewheights.org!

Why advertise in the Grandview Community Guide? The guide goes out to all Grandview Heights and Marble Cliff residences by U.S. mail twice a year. The brochure is also linked on our website, which in the past year has received almost 87,500 visits and 12,540 Parks and Recreation page views. The Grandview Community Program Guide is a great opportunity for your company to advertise in the Tri-Village area. If you have any questions or would like to purchase advertising space, contact us at 614-488-3111.

Park Construction Updates

2014 was a busy year, as two of our parks celebrated grand-reopening events after major remodeling. Pierce Field, a \$1.1M project to construct a new community building, playground, tennis court, fencing, furniture and pathway improvements as well as a new outfield lighting and irrigation systems, was re-opened on May 24. Wyman Woods, a \$1.5M project that featured major renovations to the 60-year-old shelter building and also included improvements to the playground, multi-use field space, pathways and sledding hill. The Wyman project also included a new storm water collection and infiltration system that will eliminate most flooding at the park; a new park lighting system, furniture and field irrigation. The ribbon-cutting on Wyman Woods and the new W. W. Williams Shelter was held on October 25. Both projects were funded by a low interest rate bond that is being paid-off with funds generated by the “bed tax” collected from the hotel at the Grandview Yard. The Wyman project benefitted from two other funding sources: a \$100,000 donation from the W. W. Williams Company, as well as a \$70,000 federal grant from the Land and Water Conservation Fund.

Additional changes are in store

Pierce Field Community Building

for 2015. During the spring months, watch for a new statue and supporting amenities at Memorial Park, located at the intersection of Northwest Boulevard/W. Second Ave. and Oxley Road. The statue will depict a WWII soldier honoring a fallen comrade and preparing to move forward to continue his duty. The project will include a new Blue Star Mothers logo and additional concrete work in the center plaza of the park, and a base to mount the statue on. The base will be made of Ohio limestone. Part of the expanded concrete plaza will include a space where engraved 4"x 8" pavers will be installed, honoring family and friends of area residents who have served in

our country's armed forces. For more information on the memorial pavers, contact Parks and Recreation offices at 488-3111. We anticipate an unveiling of the new statue at this year's annual Memorial Service, to be held on May 21 at 7:30 p.m. We hope you'll join us. The statue project is being generously funded by donations from Grandview Heights residents Drs. Thomas and Lowell Williams.

Finally, 2015 is expected to see the beginning of design process for a new municipal pool. We are still early in the process, but watch the city's website and the Tri-Village News for updates on the design process and for opportunities to participate.

Grandview Urban Forestry

The City of Grandview Heights is fortunate to have a beautiful and diversified urban forest. Tree maintenance has been part of Grandview for many years and is regulated by ordinance. Public trees are an asset from which we all benefit. They provide many economic, environmental and social benefits in addition to improving the overall image and appearance of the city. The majority of trees between the sidewalk and curb are public trees although this may vary.

Our tree program covers all aspects of urban tree care. We conduct inspections on a yearly basis to locate clearance problems (i.e. limbs blocking traffic signage,

lighting, walks or street right-of-way), hazards, as well as future planting sites. The majority of the work is performed during the winter months, with the remainder being completed during the summer. Any trees removed during this process are replaced the following fall.

Most work is performed after notification with the exception of some clearance issues. Any resident wishing to maintain a city tree or excavate on public right-of-way adjacent to a tree must first contact the city arborist (Ordinance 921.07). Any special requests or concerns should be forwarded to the Parks and Recreation office. Tree removals, pruning and plantings on city right-

of-way are done at no charge.

Each year we have a tree sale where trees can be purchased for public or private property. Any trees intended for the public right-of-way must be pre-approved. Permits are available at no cost, at the Parks and Recreation Office and must be submitted and approved prior to planting. This allows us to suggest proper plant selection, and to avoid future tree and utility conflicts. Trees can also be purchased as a way of memorializing a person or event.

The City of Grandview Heights has been a Tree City USA for 31 years and looks forward to continuing this tradition of excellence.

Emerald Ash Borer Activity Has Peaked in Grandview

If you have not been treating your Ash tree it is time for removal. The majority of untreated Ash trees will be dead or dying in 2015. Please remember that removing trees before they are completely dead can be much safer and cheaper to remove. Always get multiple quotes on tree work and removal, as prices can vary widely. Contact Mike McKee, our city arborist, at 614-481-2601 for more information.

Gypsy Moth is here as well! Ohio Department of Agriculture will be spraying from air planes sometime in May depending on weather. More information can be found at:

Mid-September through Mid-December
Park closes at dark, rules and regulations are posted at the Skatepark and must be followed for skating privileges.

Grandview Splash of Color Program

The Grandview Parks & Recreation Dept., in conjunction with the Landscape Advisory Board, is soliciting donors and volunteers to purchase and/or install colorful annual flowers in our Grandview Parks and right-of-ways. Individuals or groups can elect to simply donate towards the purchase of annuals, volunteer to plant available annuals, or both; multiple sites are available. Volunteers willing to help maintain flower beds throughout the summer are also needed. For more information, contact Mike McKee at 481-6201 or stop by Parks & Rec. office to register.

Grandview Service Department

Our Rules and Regulations mandate that no trash cans can be taller than 33" in height.

ALL trash must be bagged and kept dry.

Every can must have a lid.

Below are samples of legal and illegal trash cans.

The cans above are different styles and all are legal as they are not taller than 33". Even legal cans can put employees at risk of injury if trash is not bagged, tied and kept dry. A minimum of 13 gallon trash bags are required. No small plastic grocery bags permitted.

The two cans above are illegal because they are over 33" tall. Too tall and oversized cans are not permitted as they put our employees at a very high risk for injuries. Please do your part to keep your workers safe.

Grandview Service Department

“Special Collection”

City of Grandview Heights Single-Stream Curbside Recycling Program

The following recyclable materials will be collected for all Grandview Heights and Marble Cliff residents on their regular trash day each week. Recycling collection begins at 7:30 a.m., followed by trash collection at approximately 9:30 a.m.

Recyclable materials may be placed in a reusable, 32 gallon container (50

pounds maximum), display a **Recycle Grandview** sticker (sticker obtained at 1525 Goodale Blvd.) and placed next to alley, or if no alley exists, on the tree lawn curb strip for collection. Tied plastic trash bags may also be used. Mark “Recycle” on bag.

Visit www.grandviewheights.org for more information.

Yard Waste

Organic material only, NO plastics.

From April through November, yard waste, if properly bundled or packaged, will be picked up on Monday for all Grandview Heights and Marble Cliff residents. Yard waste shall not be set out earlier than one (1) hour prior to sunset on Sunday. Unless otherwise indicated, bundles or bags of yard waste shall be placed next to the alley or if no alley exists, behind curb at the street.

Tree limbs and shrubbery must be cut and bundled with biodegradable twine or string (no wire, plastics or nylon string). Bundles should be no larger than 2 feet in diameter, 4 feet long and weighing no more than 50 pounds per bundle.

All **storm damage** must be treated the same as yard waste unless it came from a public tree. All private brush which falls on city right-of-way will be cleared by city crews either by returning the debris to the property of origin or by chipping if it would be more efficient.

Grass, leaves and plant materials must be placed in biodegradable paper or other paper bags, not to exceed 30 gallon capacity (plastic or biodegradable plastic are not permitted).

Neither dirt-covered roots nor soil will be accepted

Residents may use a refuse container for yard waste. The containers **must** display a "Yard Waste" sticker (obtained by calling 488-4728), weigh no more than 50 pounds when full, and should not have limbs stick out more than 12" above the top of the container.

From December through March, yard waste may be dropped off at the Service Department between 7:30 a.m. and 3:30 p.m. weekdays.

Grandview Heights E-Waste Event

The City of Grandview Heights and Goodwill Columbus will sponsor an e-Waste recycling day on May 9, 2015 from 12:00 noon to 5:00 pm at the Service Department, 1525 Goodale Boulevard. Please enter from Goodale Boulevard onto Glendale Avenue. Goodwill Columbus staff will unload items from your car.

You can drop off the following items for FREE:

- Computers, printers, monitors
- Copiers, scanners, fax machines
- Networking equipment/services
- Ink and toner cartridges
- TVs, cell phones, MP3 players
- DVD/VHS Players, cable boxes
- Records/cassettes/CD's/DVD's
- Video game systems & games
- Power adapters/chargers/cords
- Stereo equipment/speakers
- Cameras, audiovisual equipment
- Microwaves, toaster ovens, toasters
- Vacuums, humidifiers, air purifiers
- Christmas lights, string lights
- Lithium ion (rechargeable) batteries

Our last event generated 5,160 pounds of e-waste. That means 5,160 pounds of recyclable items were kept out of the landfill, saving all of us money. Goodwill Columbus works to build independence, quality of life and work opportunities for individuals with disabilities and other barriers.

Furniture Items

If you have gently used furniture items with no stains or rips, donate them to Furniture Bank for families in need. Call 614-272-9544 or visit www.FurnitureBankCOH.org.

Special Needs

If you are elderly and/or physically disabled, please contact the Department of Service at 488-4728 to make special arrangements for solid waste pickup.

2015 Street Sweeping

Weather permitting, street sweeping is tentatively scheduled for early Spring. The exact dates will be advertised in the Tri-Village and This Week in Grandview newspapers.

Your compliance with the "no parking" signs for street sweeping is critical to enable the City to remove debris from the gutters and streets, which, if allowed to accumulate, contributes to localized flooding.

Spring Clean Up

The city will collect bulk items **FREE OF CHARGE** from May 12-15 for residents of Grandview Heights and Marble Cliff. Residents with alley service should place their items next to the alley, without alley service should place their items at the curb **on your regular trash day only**. To assist the Service Department, please place small loose items inside containers for easier disposal.

No Construction Debris or Soil is Accepted

This is an annual, one week opportunity to dispose of large, unwanted items at no charge to you, so do your spring cleaning early and take advantage of this opportunity to keep our community beautiful! If you have questions, please contact the Grandview Heights Service Department at 488-4728.

Springtime and Stormwater Runoff

As winter months give way to spring, remember that rainy weather washes accumulated pollutants from your property down the storm drains, directly to our streams and rivers. Each resident can make a difference by reducing salt usage on sidewalks and driveways as much as possible. In the springtime, consider options that will limit your use of pesticides, herbicides and fertilizers while maintaining your lawn and garden. **Remember: everything washed or thrown into a storm drain flows directly to our streams and rivers.**

Help protect Ohio's water resources. Ensure that only stormwater is entering our storm system, and become part of the stormwater pollution solution in your neighborhood! To report a water pollution concern or localized flooding problem, please call the service director at 481-6208.

Hazardous Household Materials

For disposal of paint, and other hazardous household materials not listed above, please contact the Solid Waste Authority (SWACO) at 871-5100 for a schedule of drop-off locations. S.W.A.C.O. will not accept: appliances, tires, trash, propane tanks (over 20 lbs.) asbestos, needles, medical waste, used oil, car batteries, household cleaners and latex paint. Latex paint, when dried, is not considered hazardous and can be disposed in your bagged and tied trash. If the latex paint is not dried, stabilize it with kitty litter or sawdust before disposing of in the trash. Visit www.swaco.org for more information.

Appliance Disposal

The EPA licensed recycler that the City of Grandview Heights uses, no longer accepts freezers, refrigerators, air conditioners or dehumidifiers. The City can no longer pick up or store these items, as we are not EPA licensed to handle them.

*For cash back offer: Minimum loan amount \$3,000; you will earn 1% of the auto loan balance transferred; maximum cash back amount is \$1,000. We reserve the right to end or extend this promotion at any time. Existing PFCU auto loans not eligible for this offer.
**Pathways will close your home-purchase transaction within 30 days or we will make your first mortgage payment. The 30-day closing guarantee is subject to the following terms and conditions: Available on conventional loan programs only (FHA and VA loans excluded). All loans subject to credit approval. The 30-day period begins on the first business day after Pathways receives your complete mortgage loan application and you comply with all application requirements. Pathways, in its sole discretion, will determine whether an application is complete based on the satisfactory completion of the application form and information requested by Pathways to process your application. You must be eligible for credit union membership. Delays outside of credit union control such as inclement weather, inspection/appraisal issues, and re-negotiations or other delays initiated by either the buyer or seller disqualify the transaction from the 30-day guarantee. Your closing agent must schedule a signing appointment within 24 hours from the time they receive the closing documents from Pathways. If Pathways does not close your loan within 30 days, and all of the above requirements have been met, Pathways will make your first mortgage payment. Terms and conditions subject to change without notice.
+No closing costs due at the time of application. Existing Pathways loans: closing cost fee of \$1,025 charged for all Pathways mortgage loans refinanced to a lower rate under this program.
