A Message from the Mayor

Dear Neighbors:

I am writing this letter as we work with department heads to put together the 2019 budget. I was extremely pleased that the staff of the Grandview Heights Parks and Recreation Department has added a large number new events and programs to this 2018-19 schedule. Some of the additions include: outdoor movies; a children's area at the Grandview Hop; summer camp events; a family game night; a garden camp; adult kickball; and an adult yard game tournament. Director Mike Patterson and supervisors Marta Durban and Taylor Lindsey are very enthusiastic about these new programs.

The mid-fall schedule calls for a community celebration of the completion of the expanded Grandview Heights Veterans Memorial. The memorial project turned out beautifully as a very touching and fitting tribute to members of our community who lost their life in service to our country. The official dedication ceremony for the park at Northwest Boulevard and Second Avenue will take place at 3 p.m. on Veterans Day, November 11, 2018. That day also marks 100th anniversary of the end of World War I, an event first celebrated as Armistice Day that Congress later recast as Veterans Day.

I again wish to express my deep appreciation Dr. Tom Williams and his family for their generous contribution that permitted the City to expand the Grandview Heights Veterans Memorial.

Another event I am especially excited about this year is the annual Christmas tree lighting scheduled for December 4. And bring your skates as the Grandview Heights Parks and Recreation Department has arranged the installation of an artificial ice rink for residents to enjoy as part of the festivities.

The 2019 City budget also includes additional funding to implement a more aggressive and expanded tree maintenance program. To this end, the City recently contracted with arborist Drew Todd to inspect and catalog the trees along the City's streets trees and to work with the park's staff. I would also like to take this opportunity to welcome Andy Grau as our new supervisor of Parks. He is a great addition to the department's management team.

Likewise, the Service Department has requested additional funding to increase the frequency of sanitary and storm sewer lines inspections throughout the City. The goal is to inspect all lines yearly.

The Community and the "Spaces and Places" plans are in the later stages of the planning process after several months of hard work by committee members and input and insights from Grandview Heights residents. There will be a meeting of the Steering Committee on November 13th that residents are welcomed to attend. Please check our website for details. The first draft of the plan will be on our website

around the first of the new year. We would appreciate to have your feedback on the drafts.

In the meantime, please take the opportunity to enjoy the Parks and Recreation programs and activities listed in our brochure. Here's hoping you stay active, be involved in the community and be safe. Sign up at www.grandviewheights.org for updates on community activities, events and safety services. Also look for community updates on the Mayor's Blog: "Tuesday Top 5"

See you around the town,

Mayor Ray DeGraw

Special Events

Memorial Park Plaza Dedication

Help us celebrate the addition of the new Memorial Park plaza as we cut the ribbon and remember the service men and women who have served this country.

Date: Sunday, November 11

Time: 3:00 p.m.

Location: Memorial Park on the corner of Oxley Rd. & Northwest Blvd.

Open to everyone!

Holiday Tree Lighting

Come help us celebrate the season with the lighting of the Community Holiday Tree.

New this year: Iceless Ice Rink—FREE to the community, we rented an iceless ice rink for all to enjoy. We will have skates available to borrow, or feel free to bring your own. Each participant must sign a waiver prior to skating.

There will be an opportunity to visit Santa too so don't forget to bring a camera. The winners of the holiday coloring contest sponsored by Pathways Financial Credit Union will help flip the switch. Tree lighting will include carol singing with the Grandview High School Singers and refreshments to warm your spirits.

Clay Café will have flat or ball ornaments available for purchase that can be decorated at the event. Finished fired ornaments will need to be picked up at Clay Café (1644 W. 5th Ave.)

Date: Tuesday, December 4

Location: Grandview Center, 1515 Goodale Blvd.

Ice Rink will be here from 3:00–8:00 p.m.

All Other Events Begin at 6:30 p.m.

Holiday Coloring Contest

All pictures must be turned into Grandview Heights Parks and Recreation (1515 Goodale Blvd) or Pathways Financial Credit Union (1445 Goodale Blvd) no later than 12:00 noon Monday, December 3. Winners will be recognized and awarded prizes at the City of Grandview Heights Holiday Tree Lighting Ceremony, Tuesday, December 4 at 6:30 p.m. Awards sponsored by Pathways Financial Credit Union. First place \$50, Second place \$25, and Third place \$10.

We will send out a coloring page to all students in K-6th grade at Stevenson and Edison. You can also pick one up at one of the following: Pathways Financial Credit Union, Grandview Center, City Hall, Grandview Library.

Santa's Coming to Town

Welcome Santa to the Grandview Heights Public Library as the Grandview Heights Fire Department drops Santa off at the front door on the city's fire truck! Santa will meet with kids in the meeting room and parents are welcome to take their own photos, so don't forget your camera! Children can make a holiday craft and visit with Rosie the Comfort Dog from Atonement Lutheran Church too. Program is provided by the Grandview Heights Parks and Recreation Department and the Grandview Heights Public Library.

Date: December 8

Time: 11:00 a.m.–12:00 noon

Location: Grandview Heights Public Library

Special Events

Bubbles the Elf

Bubbles is Back! Bubbles is Grandview Heights' Holiday Elf. He will be dropping by local businesses from December 1–December 20. You will need to follow the City's social media for this activity. We will post hints of where Bubbles is each day by 9:00 a.m.

@grandviewheightsoh – facebook

@cityofgrandviewheights – instagram

What is this? You ask...

1. Find Bubbles the Elf at local businesses (every day is a different business)
2. Snap a picture of you with Bubbles
3. Post picture on Facebook /Instagram & use hashtag #BubblesTheElfGrandview. Be sure your Facebook/ Instagram is PUBLIC during this time so we can see your post, private posts do not come up with searches.)
4. Repeat steps 1–3 every day from December 1–December 20.

Parks and Rec will constantly monitor the hashtag and put your name in a hat for each time you post a different picture at a different store (one picture per store per person). So if you follow him all 20 days, you will have 20 names in the "hat". On December 21 we will pull names out and announce the winners. Be sure your social media accounts are public for this activity so we can see your post! Tune in to Facebook Live Friday to see if you won a prize! Winners will need to message us for more information on how to pick up prizes. No Registration Necessary!

Businesses interested in sponsoring please email Taylor.tlindsey@grandviewheights.org

Grandview's New Public Art Project

Amy Rich project with Mrs. Doran – November (RLS Guidance Counselor)–November 30, 2018

Amy is a visual artist from Indiana who works primarily with fabrics and found objects. She has a background in sculpture but also draws from a childhood spent making things with scraps from her Mom's sewing projects. She loves to share this joy of creation with her students, especially by building things that use fabric as a simple, versatile, and forgiving material. Her collaboration with students at RLS will produce figurative sculptures that are intended to explore the connections between materials, the sense of self, craft and contemporary fine art.

Rick Goehring project with Mr. Petit (RLS Music teacher)–February 2019

Rick is a furniture maker and a banjo player. This project will bring both these skills together in the creation of musical benches for the columns. His goal is to inspire an appreciation of traditional art forms and the traditional art process. In this residency he will share his techniques and describe how traditional processes informs and inspires his work. This sharing includes elements of history, cultural diversity, creative expression and an exploration of traditional arts.

Protect Our Streams and Rivers Be a Stormwater Steward!

Did you know that the majority of water quality problems in Ohio are the result of **non-point source pollution (NPS)**? NPS is pollution that cannot be traced to a single source like a pipe outfall. Stormwater runoff is a major source of NPS. Contaminants within this runoff are carried by stormwater straight into our rivers.

Lawn chemicals such as pesticides, herbicides and fertilizer can not only contaminate recreational and drinking water sources, but also harm fish and other aquatic life. Motor oil and antifreeze, paints, detergents and other household chemicals can also poison our waters if we allow them to enter storm drains. Even pet waste can contribute excess nutrients and bacteria to waterways when not properly disposed of.

As a private citizen, there are many ways in which you can reduce your NPS contribution and become a Stormwater Steward:

Don't Litter: Every scrap of paper, cigarette butt and soda bottle you drop on the ground may ultimately find its way into a stream.

Take Your Car to a Car Wash: Unlike your driveway, car washes collect and properly dispose of dirty wash water.

Get a Tune-Up: Cars leaking oil or other fluids contribute toxic chemicals to storm water.

Dispose of Pet Waste: Fido's droppings are loaded with E. coli and other bacteria, not to mention nutrients that cause algae blooms and harm aquatic life. Collect and dispose of pet waste in refuse containers.

Dispose of Household Hazardous Waste Properly: Never dump old paint, solvents or other chemicals down the drain or into the storm sewers.

Limit Use of Lawn and Garden Chemicals and Dispose of Lawn Waste Properly: If you read the label, you'll find

that many lawn and garden chemicals are extremely toxic to fish and aquatic insects, not to mention poisonous to humans! Lawn waste should never be dumped down storm drains. Yard waste can be composted, chopped with a power mower for use in landscaping, or bagged for pick-up.

Why Protect Stormwater? Because It's the Law! The City of Grandview Heights Codified Ordinance 937.03 "Stormwater Management Prohibited Discharges" explicitly prohibits any discharge to the storm sewer system that is not composed entirely of stormwater. Illegal dumping/discharging of prohibited substances could result in fines and may be classified as a minor misdemeanor!

You are the eyes of our community. To report illegal dumping or other stormwater issues, contact the City Service Department at 614-488-4728.

Community Information

We invite you to visit the City's website at www.grandviewheights.org. You will find interesting and helpful information for each of the city's departments including contact information, hours of operation, key areas of responsibility as well as program descriptions, forms, permits and other documents. From the Parks and Recreation page, you can view a complete copy of this semi-annual program guide.

That's only the beginning of what is offered: there is a community calendar

highlighting upcoming special events and meetings, and links to multiple community partners like the Grandview City Schools, Public Library, Chamber of Commerce, Historical Society and the Education Foundation. Visitors to the City's website can also view City Council agendas and meeting minutes, apply for a city job, or browse any of the city's codified ordinances.

There's still more... select the Facebook or Twitter icons from the home page to be automatically notified of city news

and happenings. Report a concern, or go to "e-News Sign-Up" to be notified via your mobile phone, tablet or other device of upcoming events and meetings. There's even an "Alert Center" which will provide you with emergency information specific to our community should the need arise. We encourage all residents to sign-up for this service. In addition, you can register for many of the city's programs and services, and pay for them, from the website. Be sure to visit grandviewheights.org!

Inclement Weather Line

If you have questions as to whether or not a program or game has been cancelled due to poor weather or field conditions, please call the inclement weather line after 4:00 p.m. at (614) 340-5401.

Photo Release

By registering for any City of Grandview Heights program, you agree to allow publication of any photo taken at any program, event, or facility of the City of Grandview Heights Parks and Recreation Department.

Special Collection

City of Grandview Heights Single-Stream Curbside Recycling Program

The following recyclable materials will be collected for all Grandview Heights and Marble Cliff residents on their regular trash day each week. Recycling collection begins at 7:30 a.m., followed by trash collection at approximately 9:30 a.m.

Recyclable materials may be placed in a reusable, 32 gallon container (50 pounds maximum), display a Recycle Grandview sticker (sticker obtained at 1525 Goodale Blvd.) and placed next to alley, or if no alley exists, on the tree lawn curb strip for collection. Tied plastic trash bags may also be used. Mark "Recycle" on bag. Visit grandviewheights.org or rumpkerecycling.com for more information.

Yard Waste

Organic material only, NO plastics.

From April through November, yard waste, if properly bundled or packaged, will be picked up on Monday for all Grandview Heights and Marble Cliff residents. Yard waste shall not be set out earlier than one (1) hour prior to sunset on Sunday. Unless otherwise indicated, bundles or bags of yard waste shall be placed next to the alley or if no alley exists, behind curb at the street.

Tree limbs and shrubbery must be cut and bundled with biodegradable twine or string (no wire, plastics or nylon string). Bundles should be no larger than 2 feet in diameter, 4 feet long and weighing no more than 50 pounds per bundle.

All storm damage must be treated the same as yard waste unless it came from a public tree. All private brush which falls on city right-of-way will be cleared by city crews either by returning the debris to the property of origin or by chipping if it would be more efficient.

Grass, leaves and plant materials must be placed in biodegradable paper or other paper bags, not to exceed 30 gallon capacity (plastic or biodegradable plastic are not permitted).

Neither dirt-covered roots nor soil will be accepted.

Residents may use a refuse container for yard waste. The containers must display a "Yard Waste" sticker (obtained by calling 488-4728), weigh no more than 50 pounds when full, and should not have limbs stick out more than 12" above the top of the container.

From December through March, yard waste may be dropped off at the Service Department between 7:30 a.m. and 3:30 p.m. weekdays or taken directly to Ohio Mulch- 4120 Roberts Road.

Garbage and Refuse Containers

All resident are required to provide their own containers. Containers shall:

- a. Be constructed of galvanized metal or low temperature heavy duty plastic (no oil, grease, or other drums are permitted), shall have a least two handles for lifting, and shall be fitted with tight lids with handles. These containers shall be maintained in good condition and shall be kept clean. Rusted, broken, leaky, unsanitary containers or containers without lids, and/or handles may be marked with a condemned sticker and disposed of by the collector on the next regular collection day.
- b. Be properly sealed disposable plastic bags of not less than 3 mils thickness if placed not earlier than one (1) hour prior to sunset the day before collection day.
- c. Have a capacity of not less than ten (10) gallons and not more than thirty-two (32) gallons.
- d. Be sure that bags and cans are manageable and do not exceed 50 lbs.
- e. Lids are required, to keep trash dry. Wet trash is heavy and causes injury to our workers.

2018 Leaf Pick-Up Schedule

The City of Grandview Heights will start regular pick-up the week of October 8 through December 7 (weather permitting) with two routes. A crew will start at Lincoln Road and work its way east to Grandview Avenue. The second crew will start at Grandview Avenue and work east to the corporation line.

Please rake leaves to the tree lawn curb area next to the street. Do not rake leaves into the street as the leaves may block the storm sewers or may start a fire when a car is parked on top of them.

Leaves may also be bagged and left at your normal pick-up area for Monday yard waste pick-up through the end of November. If you bag, please use the large biodegradable lawn and leaf bags.

Please note that no regular yard waste should be intermingled with the leaves. Thank you.

E-Waste Collection

The City of Grandview Heights and Goodwill Columbus will sponsor an e-waste and donation drive. Visit our website at www.grandviewheights.org for more information.

Special Needs

If you are elderly and/or physically disabled, please contact the Department of Service at 614-488-4728 to make special arrangements for solid waste pickup.

2018 Street Sweeping

Weather permitting, street sweeping is tentatively scheduled for early December, after leaf season ends. The exact dates will be advertised in the This Week in Grandview newspapers and our website www.grandviewheights.org.

Your compliance with the "no parking" signs for street sweeping is critical to enable the City to remove debris from the gutters and streets, which, if allowed to accumulate, contributes to localized flooding.

Hazardous Household Materials

For disposal of paint, and other hazardous household materials not listed above, please contact the Solid Waste Authority (SWACO) at 614-871-5100 for a schedule of drop-off locations. S.W.A.C.O. will not accept: appliances, tires, trash, propane tanks (over 20 lbs.) asbestos, needles, medical waste, used oil, car batteries, household cleaners and latex paint. Latex paint, when dried, is not considered hazardous and can be disposed in your bagged and tied trash. If the latex paint is not dried, stabilize it with kitty litter or sawdust before disposing of in the trash. Visit www.swaco.org for more information.
