2018 SPRING COMMUNITY GUIDE

A Message from the Mayor

Dear Neighbors,

As I look outside on this snowy frigid January day, I can hardly wait for the programs and events in this brochure to begin. By the time you read this, the days will be getting longer and spring will be around the corner. There have been some changes to the brochure and some new programs that we believe you will enjoy.

In the Winter & Fall Community Guide we recognized Michael Patterson as the new Director of Parks and Recreation. Filling Michael's former position, as Recreation Program Manager, is Taylor Lindsey. If you have not met her, stop down to Parks and Recreation and say "Hi". She is extremely creative and brings a lot of energy to the position. You will enjoy getting to know her.

The fall election returned three members of council for another term, Greta Kearns, Chris Smith and Anthony Panzera. Melanie Houston was elected to the seat vacated by Steve Papineau. We will miss Steve. He was great to work with. We look forward to working with Melanie and I can tell she is ready to work hard for this community.

Residential and commercial development continues to be strong in and around our city. There will be an additional 1,500 to 2,000 workers coming into the Grandview Yard in 2018. The developer has also announced a new office building just south of Third Avenue. You will be seeing the installation of parking devices throughout the commercial area of the Grandview Yard. The meters are part of the Grandview Yard Development Agreement and will help manage short term parking and assure ample parking for

the businesses. Garage parking will continue to be free.

The Third Avenue widening at the railroad bridge is underway. Traffic will be closed east bound at Edgehill for about a year. There was hope traffic could be maintained in both directions as they rebuilt the railroad bridge, but only westbound traffic will go under the railroad during construction.

The City is in the process of updating our Community Plan and, at the same time, evaluating the communities' and City's facility and recreational needs. The work will continue throughout much of this

year. I strongly encourage you to be part of the process. Public input is very important. Check the website www.grandviewheights.org for updates and meeting times.

Finally, thanks to a generous donation from Dr. Williams we are ready to break ground this Memorial Day on the upgrades to Memorial Park. Our goal is to cut the ribbon opening the park on Veterans' Day. We are still looking for some funding. If you want to buy a brick for a veteran or make a donation, please contact Parks and Recreation.

See You Around Town.

Grandview Heights Library Offers Free WiFi in Parks

The Grandview Heights Public Library, directed by Ryan McDonnell, and funded with a grant from the Grandview Public Library's Foundation's Endowment Fund, has teamed up with the Parks and Recreation Department and the City of Grandview Heights to install free public WiFi at several Grandview Heights park locations.

In addition to providing a valuable resource to park visitors, the free WiFi program supports multiple initiatives, including: providing greater access to the library's growing collection of digital content; promoting events sponsored by the Grandview Heights Library, Parks and Recreation Department and the

City of Grandview Heights; providing outside working space for individuals and businesses; supporting the Grandview Heights City School District's 1:1 Computing, a program providing students in grades 9–12 with a mobile computing device; and providing an emergency communication network for first responders in the event of a local disaster.

"The Foundation is thrilled to support a project that further extends the reach of the Grandview Library," said Foundation Board President Krista Sturbois. "It seemed like the next logical step in connecting the community, and we support it wholeheartedly."

"We could not have asked for more enthusiasm and support for this project from the City of Grandview Heights," Grandview Heights Public Library Director Ryan McDonnell said. "It is a terrific example of the community coming together."

Free WiFi is currently available at Pierce Field Park, the Municipal Pool, C. Ray Buck Park, Wyman Woods and McKinley Field Park during regular park hours of 8:00 a.m.–10:00 p.m. The Parks and Recreation Department salutes the Grandview Heights Public Library and thanks them and the Library's Foundation for this tremendous extension of their services into our community!

Community Information

Visit the City's Updated Website

We invite you to visit the City's website at www.grandviewheights.org. You will find interesting and helpful information for each of the City's departments including contact information, hours of operation, key areas of responsibility

as well as program descriptions, forms, permits and other documents. From the Parks and Recreation page, you can view a complete copy of this quarterly program guide.

That's only the beginning of what is offered: there is a community calendar highlighting upcoming

special events and meetings. Links to multiple community partners like the Grandview City Schools, Public Library, Chamber of Commerce, Historical Society and The Education Foundation. Visitors to the City's website can also view City Council agendas and meeting minutes, apply for a city job, or browse any of the city's codified ordinances.

Emerald Ash Borer Activity Has Peaked in Grandview Heights

If you have not been treating your Ash tree it is time for removal. The majority of untreated Ash trees will be dead or dying in 2017. Please remember that removing trees before they are completely dead can be much safer and cheaper to remove. Always get multiple quotes on tree work and removal, as prices can vary widely. Contact Mike McKee, our city arborist, at (614) 481-6201 for more information.

Gypsy Moth is here as well! Ohio Department of Agriculture will be spraying from air planes sometime in May depending on weather. More information can be found at: www.agri.ohio.gov/divs/plant/gypsy-index.aspx

Proud to serve as Grandview Heights' City Attorney and helping the community grow.

Memorial Tree Sale

Trees may be purchased as a way of memorializing a person or an event. A variety of tree species and planting locations are available within the City of Grandview Heights. The cost for a memorial tree varies depending on caliper and species. Included in this cost will be planting, registry in the Memorial Tree Listing and a certificate honoring the occasion. Please call Grandview Heights Parks & Recreation Department at (614) 488-3111 for more information or to place an order.

Wallace Gardens

Residents of Grandview Heights and Marble Cliff are invited to garden with us at Wallace Gardens, located on the southwest corner of Goodale Blvd. and Grandview Ave. Two plot sizes (20' x 30' plots are \$50 and 15' x 20' plots are \$35) are offered, although there may be a waiting list. Call Parks and Recreation for details at (614) 488-3111.

Tennis Court Lighting

Lights at Urlin Courts are available on April 1–October 31 (weather permitting). They can be operated from dusk until 11:00 p.m.

Grandview Heights Splash of Color Program

The Grandview Heights Parks & Recreation Dept., in conjunction with the Landscape Advisory Board, is soliciting donors and volunteers to purchase and/or install colorful annual flowers in our Grandview Heights Parks and right-of-ways. Individuals or groups can elect to simply donate towards the purchase of annuals, volunteer to plant available annuals, or both; multiple sites are available. Volunteers willing to help maintain flower beds throughout the summer are also needed. For more information, contact Mike McKee at (614) 481-6201 or stop by Parks & Rec. office to register.

Grandview Heights Skatepark

The Grandview Heights Skatepark is the place to be if you're a skateboarder or in-line skater. There is a variety of equipment available for all skill levels.

Location: Grandview Heights
Municipal Pool Parking Lot

When: Mid-September

Park closes at dark. Rules and regulations are posted at the Skatepark as well as our website and must be followed for skating privileges.

Special Collection

City of Grandview Heights Single-Stream Curbside Recycling Program

The following recyclable materials will be collected for all Grandview Heights and Marble Cliff residents on their regular trash day each week. Recycling collection begins at 7:30 a.m., followed by trash collection at approximately 9:30 a.m.

Recyclable materials may be placed in a reusable, 32 gallon container (50 pounds maximum), display a Recycle Grandview sticker (sticker obtained at 1525 Goodale Blvd.) and placed next to alley, or if no alley exists, on the tree lawn curb strip for collection. Tied plastic trash bags may also be used. Mark "Recycle" on bag. Visit grandviewheights.org or rumpkerecycling.com for more information.

Grandview Heights Service Department

Our Rules and Regulations mandate that no trash cans can be taller than 33" in height.

ALL trash must be bagged and kept dry.

Every can must have a lid.

Below are samples of legal and illegal trash cans.

The cans above are different styles and all are legal as they are not taller than 33". Even legal cans can put employees at risk of injury if trash is not bagged, tied and kept dry. A minimum of 13 gallon trash bags are required. No small plastic grocery bags permitted.

The two cans above are illegal because they are over 33" tall.

Too tall and oversized cans are not permitted as they put our employees at a very high risk for injuries. Please do your part to keep your workers safe.

Grandview Heights Service Department

Yard Waste

Organic material only, NO plastics.

From April through November, yard waste, if properly bundled or packaged, will be picked up on Monday for all Grandview Heights and Marble Cliff residents. Yard waste shall not be set out earlier than one (1) hour prior to sunset on Sunday. Unless otherwise indicated, bundles or bags of yard waste shall be placed next to the alley or if no alley exists, behind curb at the street.

Tree limbs and shrubbery must be cut and bundled with biodegradable twine or string (no wire, plastics or nylon string). Bundles should be no larger than 2 feet in diameter, 4 feet long and weighing no more than 50 pounds per bundle.

All **storm damage** must be treated the same as yard waste unless it came from a public tree. All private brush which falls on city right-of-way will be cleared by city crews either by returning the debris to the property of origin or by chipping if it would be more efficient.

Grass, leaves and plant materials must be placed in biodegradable paper or other paper bags, not to exceed 30 gallon capacity (plastic or biodegradable plastic are not permitted).

Neither dirt-covered roots nor soil will be accepted

Residents may use a refuse container for yard waste. The containers must display a "Yard Waste" sticker (obtainable at 1525 Goodale Blvd.), weigh no more than 50 pounds when full, and should not have limbs stick out more than 12" above the top of the container.

From December through March, yard waste may be dropped off at the Service Department between 7:30 a.m. and 3:00 p.m. weekdays. Larger quantities of yard waste may be taken directly to the Ohio Mulch facility at 4120 Roberts Road.

Donation Drive and E-Waste Day

The City of Grandview Heights and Goodwill Columbus will sponsor a Donation Drive and E-Waste recycling day on May 5, 2018 from noon to 3:00 p.m. at the Service Department, 1525 Goodale Boulevard. Please enter from Goodale Boulevard onto Glendale Avenue. Goodwill Columbus staff will unload items from your car.

You can drop off the following items for FREE:

- Computers, printers, monitors
- Copiers, scanners, fax machines
- Networking equipment/services
- Ink and toner cartridges
- TVs, cell phones, MP3 players
- DVD/VHS Players, cable boxes
- Records/cassettes/CD's/DVD's
- Video game systems & games
- Power adapters/chargers/cords
- Stereo equipment/speakers
- Cameras, audiovisual equipment
- Microwaves, toaster ovens, toasters
- Vacuums, humidifiers, air purifiers
- Christmas lights, string lights
- Lithium ion (rechargeable) batteries
- Also accepted: clothing, linens, books, dishes, toys, sporting equipment, fitness equipment, tools and more.

Goodwill Columbus works to build independence, quality of life and work opportunities for individuals with disabilities and other barriers.

Furniture Items

If you have gently used furniture items with no stains or rips, donate them to Furniture Bank for families in need. Call 614-272-9544 or visit www.FurnitureBankCOH.org.

Special Needs

If you are elderly and/or physically disabled, please contact the Department of Service at (614) 488-4728 to make special arrangements for solid waste pickup.

2018 Street Sweeping

Weather permitting, street sweeping is tentatively scheduled for early Spring. The exact dates will be advertised in This Week Tri-Village News and posted on our website.

Your compliance with the "no parking" signs for street sweeping is critical to enable the City to remove debris from the gutters and streets, which, if allowed to accumulate, contributes to localized flooding.

Spring Clean Up

The city will collect bulk items FREE OF CHARGE from May 8-11 for residents of Grandview Heights and Marble Cliff. Residents with alley service should place their items next to the alley, without alley service should place their items at the curb on your regular trash day only. To assist the Service Department, please place small loose items inside containers for easier disposal.

No Construction Debris or Soil is Accepted

This is an annual, one week opportunity to dispose of large, unwanted items at no charge to you, so do your spring cleaning early and take advantage of this opportunity to keep our community beautiful! If you have questions, please contact the Grandview Heights Service Department at (614) 488-4728.

Springtime and Stormwater Runoff

As winter months give way to spring, remember that rainy weather washes accumulated pollutants from your property down the storm drains, directly to our streams and rivers. Each resident can make a difference by reducing salt usage on sidewalks and driveways as much as possible. In the springtime, consider options that will limit your use of pesticides, herbicides and fertilizers while maintaining your lawn and garden.

Remember: everything washed or thrown into a storm drain flows directly to our streams and rivers.

Help protect Ohio's water resources. Ensure that only stormwater is entering our storm system, and become part of the stormwater pollution solution in your neighborhood! To report a water pollution concern or localized flooding problem, please call the service director at (614) 481-6208.

Appliance Disposal

The EPA licensed recycler that the City of Grandview Heights uses, no longer accepts freezers, refrigerators, air conditioners or dehumidifiers.

The City can no longer pick up or store these items, as we are not EPA licensed to handle them.

Please contact the following for disposal:

Hazardous Household Materials

For disposal of paint, and other hazardous household materials not listed above, please contact the Solid Waste Authority (SWACO) at (614) 871-5100 for a schedule of drop-off locations. SWACO will not accept: appliances, tires, trash, propane tanks (over 20 lbs.) asbestos, needles, medical waste, used oil, car batteries, household cleaners and latex paint. Latex paint, when dried, is not considered hazardous and can be disposed in your bagged and tied trash. If the latex paint is not dried, stabilize it with kitty litter or sawdust before disposing of in the trash. Visit www.swaco.org for more information.

Grandview Heights Urban Forestry

The City of Grandview Heights is fortunate to have a beautiful and diversified urban forest. Tree maintenance has been part of Grandview Heights for many years and is regulated by ordinance. Public trees are an asset from which we all benefit. They provide many economic, environmental and social benefits in addition to improving the overall image and appearance of the city. The majority of trees between the sidewalk and curb are public trees although this may vary.

Our tree program covers all aspects of urban tree care. We conduct inspections on a yearly basis to locate clearance problems (i.e. limbs blocking traffic signage, lighting, walks or street

right-of-way), hazards, as well as future planting sites. The majority of the work is performed during the winter months, with the remainder being completed during the summer. Any trees removed during this process are replaced the following fall.

Most work is performed after notification with the exception of some clearance issues. Any resident wishing to maintain a city tree or excavate on public right-of-way adjacent to a tree must first contact the city arborist (Ordinance 921.07). Any special requests or concerns should be forwarded to the Parks and Recreation office. Tree removals, pruning and plantings on city right-of-way are done at no charge.

Each year we have a tree sale where trees can be purchased for public or private property. Any trees intended for the public right-of-way must be pre-approved. Permits are available at no cost, at the Parks and Recreation Office and must be submitted and approved prior to planting. This allows us to suggest proper plant selection, and to avoid future tree and utility conflicts. Trees can also be purchased as a way of memorializing a person or event.

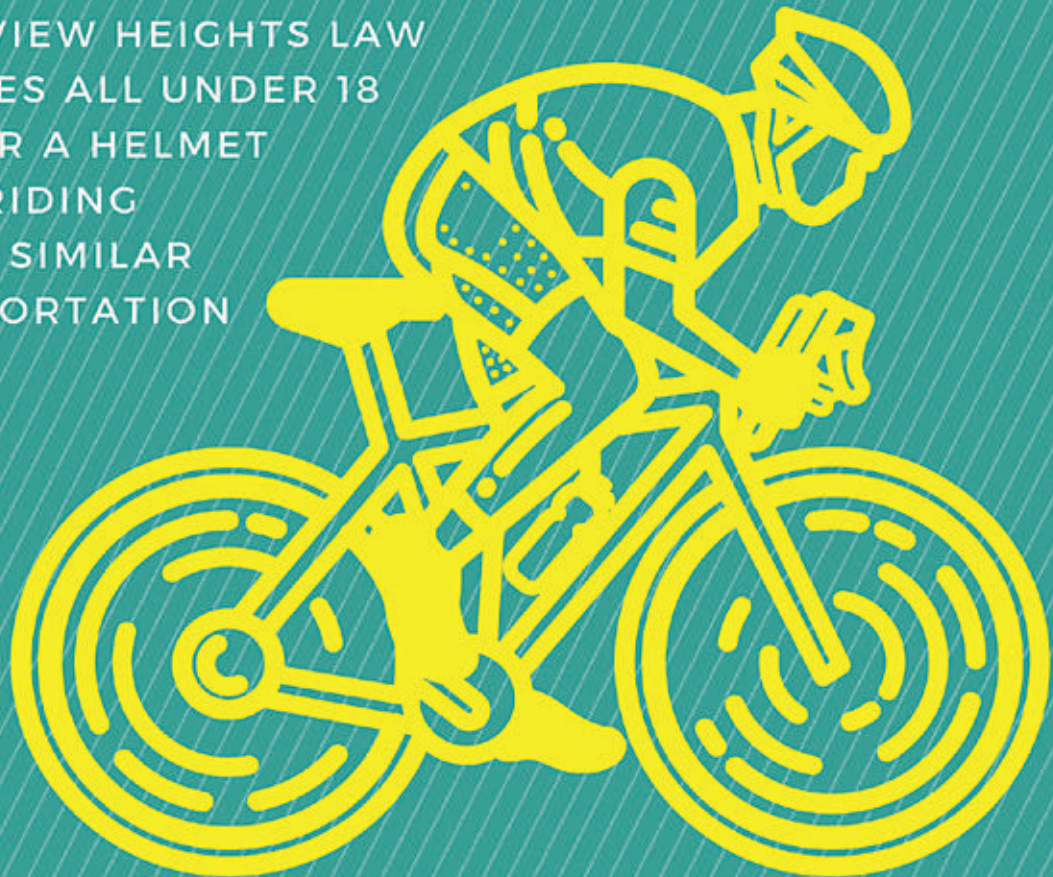

The City of Grandview Heights has been a Tree City USA for 34 years and looks forward to continuing this tradition of excellence.
